

Study English in the UK

Education first. Honest process.

A clear customer guide for students who want to improve their English in the UK through a structured and legal study route.

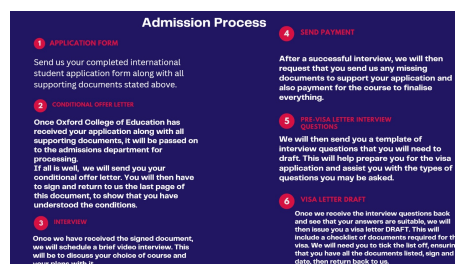

What this offer is

This route is for English language study in the UK. Present it as a legal education pathway: choose the right level, prepare documents properly, apply honestly, and get ready to travel for study.

Three English levels

- 1. English for Beginners** - Everyday speaking, listening, reading, and writing.
- 2. English for Intermediate Learners** - More fluency, grammar, clearer communication, and confidence.
- 3. English for Business and Education** - Formal English for work, study, presentations, interviews, and academic progression.

Students should be guided to the most suitable level after an initial assessment.

Typical process

1. Initial assessment
2. Choose level and intake
3. Prepare documents
4. Submit application
5. Prepare for interview and visa file
6. Travel and enrol

Typical documents students may need

- Valid passport
- Updated CV / resume
- Academic certificates
- Personal statement / study explanation
- Reference letters where requested
- Proof of funds or sponsor evidence

Keep your service fee separate from school and charges. Transparency builds trust.

Budget snapshot

Tuition: £7,950+
